Foreword

St. Joseph, the patron of our school, inspires purity, honesty and truth in the heart of every student. We, the class of '62, have chosen him as the theme of our yearbook because he has guided protected and befriended us throughout our high school years. He has been our counselor when in doubt, our defender when alone, our protector in time of danger and our friend when in darkness. Although we are leaving our school, St. Joseph will have a permanent place in our hearts all during our adult years. As each student travels his separate road, he will be sure to find happiness if the spirit and virtue of St. Joseph remain with him.

Dedication

We recall many memories as we come to the point of dedicating our Mount. With gratitude we present it to our Academy teachers whose constant understanding has been among the blessings and heritage of the Class of '62. Their never-failing humor has helped us over many of our seemingly hopeless problems. Their kindness and consideration has been shown by the way in which they have taken the interests of our entire class into their hearts. For their sincerity and patience we express our thanks, and sincerely dediate our 1962 Mount to the Sisters of St. Joseph.

Principal's Message To The Class Of '62

The long-awaited day of graduation is now here. We rejoice with you at this achievement and we take this opportunity to extend to you prayerful best wishes for your future endeavors.

Before many months have passed, your class group will be spread far and wide. Some will be in college, some will be in service, and others will have taken their places in the business world. Wherever you might be, please try to remember always the ideals which have been given to you at M.S.J.

One final bit of advice: a wise saint of many years ago said, "Work as if all depended upon you and pray as if all depended upon God." This combination of work and prayer will surely bring the success which we hope for you as you leave Mount Saint Joseph.

Our Athletic Board is greatly responsible for sports equipment at the Mount and the general financing of the football, basketball and baseball seasons. The student body, especially the boys, are grateful for their enthusiastic support.

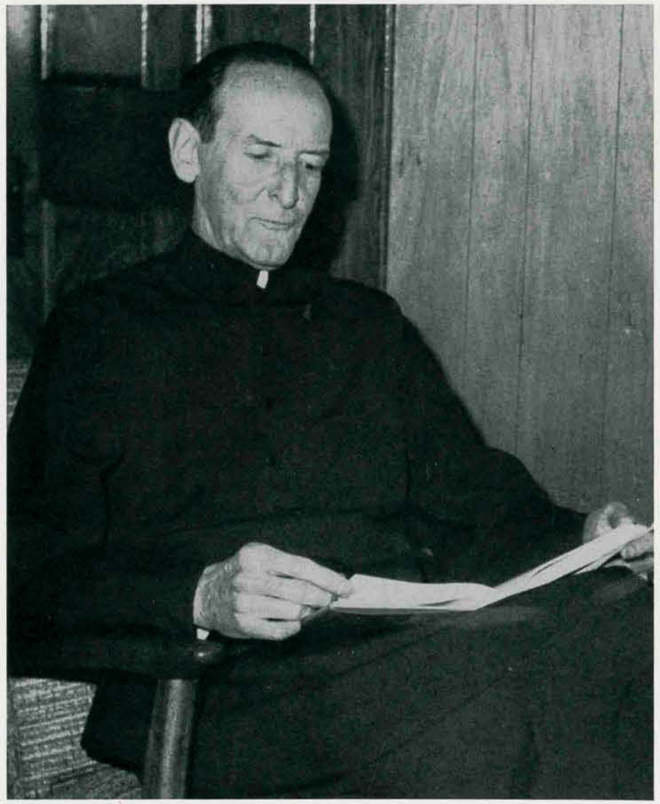

Music Boosters

Many of the musical interests of the school have been realized through the efforts of the Music Booster's Club. This organization of parents, whose main concern is the financing of the Academy's music department, has undertaken such projects as raising funds for piano and assuming the expense of cleaning the band uniforms. The student body is extremely grateful for its assistance.

Football

Mr. Cioffi, as head coach, is credited with keeping football in the extracurricular program at the Mount. He has been chiefly responsible for the enthusiastic spirit which has driven our boys to many victories. Not only has Coach Cioffi aided the physical development of the football squad, but by his example he has injected the spirit of playing the game as true sportsmen.

Mr. Zingale, our competent assistant coach, has successfully supported our team through a satisfactory football season. His confidence and interest in the boys has aroused their spirit and increased their desire to win. The class of '62 wishes to express its appreciation to him for his enthusiasm and concern for the sports program at the Academy.

"Breathe deeply" are the words familiar to all Glee Club members. This organization, also under the direction of Major Pelton, has spent a very busy yet enjoyable year. It provided the musical background for our Christmas Play, "The Other Wise Man," and ended the year with varied selections at the Spring Concert.

Major Pelton, our very capable director of Band and Glee Club, has devoted many hours to benefit our music groups. The Major is an indispensable and certainly appreciated member of the Mount faculty.

The Future Nurse's Club originated with a group of senior girls who wanted an organization for all students interested in medicine. In September, 1961, under the chairmanship of Mary K. Alexander, a committee drew up a tentative plan for the establishment of the club. A meeting was called for students interested in nursing or any other medical field. This year we are a chartered member of the National Future Nurse's Club. Presently we have 59 members composed of seniors, juniors, and sophomores. The purpose of our club is to bring together all those who think their future career might be found in the medical field.

The main objectives of this organization are to promote a high standard of athletics and to create fellowship among Varsity Athletes. Active members in the club will consist of those who have won a letter in any sport and are in good scholastic standing in their class.

Retreat

The tension of mid-year exams over, the student body gratefully welcomed the quiet and contemplative atmosphere of the annual retreat. This year's retreat master was Father George R. Colby, C.S.C. He is a native of Boston and attended the University of Notre Dame and Holy Cross College in Washington, D. C. The congenial manner and good humor of Father Colby lent itself to making this retreat one that M.S.J. students will never forget!

As an appropriate ending to a perfect retreat, Father Colby celebrates a High Mass for students in St. Peter's Church.

Future Teachers of America

Girls who teach at Brandon Training School.

Senior girls who did practice teaching.

The purposes of F.T.A. are to provide an opportunity to work with children and to cultivate qualities of leadership, character, and scholarship among students.

Projects this year: We assisted the recreation center in answering letters to Santa Claus and packing toys. We also sponsored a Faculty Tea during American Education Week; we sold fudge at the Sister's Pre-Christmas Festival, tutored students, did student teaching at local schools and at Brandon Training School, and helped teachers. A party for small children was given at Christmas time. To obtain money for scholarships for graduating senior members, we have undertaken money-making projects. Among these projects were: the selling of programs at the M.S.J.-R.H.S. football game, the sale of Christmas cards, a raffle on a letter sweater, a Sadie Hawkins Valentine Dance and a Grinder Day.

Good teachers are in great demand today. Girls who have a desire to teach, who love children and have average marks or better, are welcome members in the club.

Student Council

The Student Council is an organization of students elected by their classmates to serve as their representatives in all matters of concern to the entire school. It provides a medium through which the student opinions may be heard.

The primary aim of the Council is to foster good citizenship, leadership, responsibility, scholarship and sportsmanship. It does this in many ways, especially through its various activities during the year, such as the sponsoring of dances, Christmas Baskets, Tag Day, Vocation Day, Student of the Week, and the special project for this year, the compilation of a *Mt. St. Joseph Student Handbook.*

Vocation Day Committee discuss plans with Sister Mary David, the Club's moderator.
